Pastor John Brock, Senior Pastor of New Hope Church in East Tawas, offered the following invocation:

“Holy God, we thank You for this day, as a gift from Your hand with new and glorious mercies. We meet today and ask that our intercession is good and acceptable in Your sight, as we gather in this great place with this great assembly of servants. Praying for those in authority is Your will, You command Your followers to constantly pray for those in Authority.

As the Members of the Michigan House find their way back to our State Capital in anticipation of a busy winter session, we ask Your continued blessing on our Nation and the Great Lake state of Michigan. May this New Year inspire goodness and hope among the Members of this House, that the challenges and issues they face be met with Your timing and wisdom.

We are thankful for those who continued to serve in the offices and halls, even during the recess, would You bless those servants greatly. Above all we ask for Your Guidance and especially Your Protection for the people in this building and specifically in this, the Michigan House of Representatives.

Father, would You Bless each woman and man here and honor their sacrifice of time, energy, talents and treasures to serve in this important place. Without their faithful and steady efforts, the work of our State could not be possible. Watch over their families as they are away to do this vital work.

May all that is done this day, this session and this year, be done to Your greater power, glory and honor. Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Greig moved that Rep. Robinson be excused from today’s session.
The motion prevailed.

Messages from the Senate

Senate Bill No. 94, entitled

An act to amend 1933 PA 167, entitled “An act to provide for the raising of additional public revenue by prescribing certain specific taxes, fees, and charges to be paid to the state for the privilege of engaging in certain business activities; to provide, incident to the enforcement thereof, for the issuance of licenses to engage in such occupations; to provide for the ascertainment, assessment and collection thereof; to appropriate the proceeds thereof; and to prescribe penalties for violations of the provisions of this act,” by amending section 1 (MCL 205.51), as amended by 2016 PA 515.

The Senate has passed the bill by a 2/3 vote, the objections of the Governor to the contrary notwithstanding.

SALES TAX; COLLECTIONS; SALES TAX ON THE DIFFERENCE; ACCELERATE PHASE-IN
USE TAX; COLLECTIONS; USE TAX ON THE DIFFERENCE; ACCELERATE PHASE-IN

July 25, 2017

Today I am returning Enrolled Senate Bills 94 and 95 to you unsigned. These bills, generally known as Sales Tax on the Difference, represent a departure from a compromise I made with the Legislature in 2013.

That compromise created a system through which a vehicle buyer who traded in a vehicle saw a reduction in their sales or use tax based on the difference between the price of the vehicle they were purchasing and the one they were trading in. The reduction is scheduled to phase-in gradually to lessen the burden on the state’s general and school aid funds, which are paid for by Michigan taxpayers.

The bills would accelerate a gradual and agreed upon phase-in of the sales and use tax relief to a degree that I believe is not fiscally prudent. With budget pressures from a number of areas in coming years, in particular dedication of funds to road funding, I do not believe it is appropriate to create additional financial strain by accelerating the tax relief agreed to in 2013.

Accordingly, I am returning Senate Bills 94 and 95 without signature.

Sincerely,
Rick Snyder
Governor

The question being on the passage of the bill, the objections of the Governor to the contrary notwithstanding,
The bill was then passed, 2/3 of the members serving voting therefor, by yeas and nays, as follows:

Rep. Geiss, having reserved the right to explain her protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

Because senate bills 94 and 95 continue to fail to hold the School Aid Fund harmless and will reduce state revenue by at least \$300 million over the next 20 years with most of the impact being to the School Aid Fund, I voted no on the override of the governor’s veto of the aforementioned bills. Putting the burden of the acceleration of the ‘tax breaks’ in the respective bills, on the backs of our public school districts and our students is unconscionable. We need to protect and enhance the school aid fund, not raid it.”

Rep. Love, having reserved the right to explain her protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

Because educating our children is a priority and ensuring that school districts across the state have the resources they need, I oppose overriding the Governor’s veto. These bills would reduce state revenue by at least \$300 million over the next 20 years with most of the impact being to the School Aid Fund. As a Democrat and former professor/educator, I cannot in good conscience support this legislation. A small tax cut for the purchase of a vehicle is helpful, but not when the 99th legislature failed to pass auto insurance reform that could’ve helped buyers insure the vehicles they purchase.”

Senate Bill No. 95, entitled

An act to amend 1937 PA 94, entitled “An act to provide for the levy, assessment, and collection of a specific excise tax on the storage, use, or consumption in this state of tangible personal property and certain services; to appropriate the proceeds of that tax; to prescribe penalties; and to make appropriations,” by amending section 2 (MCL 205.92), as amended by 2016 PA 516.

The Senate has passed the bill by a 2/3 vote, the objections of the Governor to the contrary notwithstanding.

Motions and Resolutions

Reps. Kelly and Kahle offered the following resolution:

House Resolution No. 225.

A resolution to declare January 21-27, 2018, as School Choice Week in the state of Michigan.

Whereas, All children in Michigan should have the right to the highest-quality schools possible; and

Whereas, Citizens across Michigan agree that improving the quality of education and expanding access to highly-effective schools should be issues of importance to our state's leaders; and

Whereas, Michigan recognizes the critical role that an effective and accountable system of education plays in preparing all children to be successful in a global economy; and

Whereas, There are a multitude of high-quality public schools, public charter schools, and nonpublic schools in the state of Michigan; and

Whereas, Michigan has many outstanding teaching professionals in public, private, and charter schools across the state who are committed to educating children; and

Whereas, The vital cause of education reform is one that transcends ideology and political party affiliation; and

Whereas, Research in Michigan and across the nation demonstrates conclusively that providing parents with multiple schooling options improves academic performance; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare January 21-27, 2018, as School Choice Week in the state of Michigan. We call this observance to the attention of all our citizens; and be it further

Resolved, That a copy of this resolution be transmitted to the National School Choice Week organization with our highest esteem.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kahle, Cochran, Crawford, Faris, Howrylak, Hughes, Kelly, Lasinski, Maturen, Runestad, Sabo, Sneller, Webber and Wittenberg offered the following resolution:

House Resolution No. 226.

A resolution to declare January 2018 as Foster Grandparent Month in the state of Michigan.

Whereas, For decades both Congress and state legislatures across the country have recognized the value and importance of one of our nation's most valuable resources, our senior volunteers, which strengthen our communities by contributing their experience, knowledge, and accomplishments; and

Whereas, At a time of mounting social need and growing interest in service by older Americans, the United States has an unprecedented opportunity to harness the talents of volunteers over the age of 55 to address community challenges; and

Whereas, It is well-known that grandparents can play an important role in children's lives. By listening, caring, and simply being a part of a child's life, grandparents provide encouragement, support, stability, and connectedness that can have a profound and lasting impact. They also serve as excellent role models and sounding boards, which is especially important for children who come from at-risk backgrounds or who face physical or emotional challenges; and

Whereas, From this idea emerged the Foster Grandparent Program, which began in 1965 as a national demonstration effort to show how limited income persons over the age of 55 have the maturity and experience to establish a personal relationship with children who have exceptional or special needs; and

Whereas, Foster grandparents make this commitment for the benefit of children and youth facing mental or physical challenges, such as learning disabilities, and for those who have experienced poverty, neglect, abuse, or delinquency; and

Whereas, The Foster Grandparent Program offers continuing intergenerational nurturing relationships, resulting in the participating children's emotional and social growth, increased self-confidence, and breaking of negative stereotypes of old people; and

Whereas, The mission of the Foster Grandparent Program is to improve the overall quality of life for the older adult volunteer and to help provide enrichment opportunities for students with special needs by filling a specific place in children's hearts and serving as effective role models for future citizens; and

Whereas, Foster grandparents receive as many benefits as the children with whom they work, allowing the foster grandparent to become a healthier, happier person who is motivated, who has a sense of pride which comes from being wanted and useful, and who stays mentally and physically active; and

Whereas, These senior volunteers are able to provide an average of 20 hours of weekly support to children under the age of 21 with special or exceptional needs; although some volunteers dedicate up to 40 hours a week. This offers the foster grandparents an excellent opportunity to share their lifetime of experience in a supportive relationship, thereby, having a tremendously positive impact in their community; and

Whereas, In addition to the satisfaction of helping their assigned children develop, the Foster Grandparent Program provides volunteers, who are older individuals on limited incomes, with tax-free stipends, one meal per day, reimbursement for transportation, and an annual physical, which have all been proven to improve the seniors' mental and physical health; and

Whereas, In Lenawee and surrounding counties, nearly 550 seniors have served as foster grandparents, contributing countless hours of non-judgmental guidance to nearly 2000 students and young adults, improving their reading, writing, and math skills as well as social interactions and self-esteem; and

Whereas, Michigan citizens benefit from 19 Foster Grandparent Programs that serve approximately 60 Michigan counties, with approximately 1,200 foster grandparents serving an estimated 9,000 young people in Michigan annually; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare January 2018 as Foster Grandparent Month in the state of Michigan. We honor these selfless senior volunteers and the services they provide to children in our communities.

The question being on the adoption of the resolution,

The resolution was adopted.
